

AGGIE SWIM CLUB Service Hours Form
(THIS FORM MUST BE RETURNED WITH YOUR SWIMMER'S REGISTRATION).

The Aggie Swim Club is successful with our families helping in every aspect of the organization. We need your talents and time to make the Club as successful and fulfilling to the swimmers as possible. Therefore, one parent in each family – including families of swimmers at all locations in novice, age group development, junior age group, age group, junior, HS Auxiliary and senior - is required to sign up for a minimum of one full meet session at each of the meets hosted by the Club at the TAMU Rec Center. (Timing at meets your swimmer attends does not count toward this obligation. Service hours must be completed by a parent and not by the swimmer). Following is a list of the dates of these hosted meets. Please check your first AND second date choices for each meet. (We will try our best to accommodate your first choice). Please be prepared to work on the dates and times you sign up for. **Failure to turn in this form or to appear for a date you obligate yourself to will result in a charge of \$100.00 per meet session to your account to cover lost revenue.** Specific jobs will be assigned when you arrive on the date of the meet.

Once all forms are received you will be scheduled at three of the four meets listed above. These dates will be communicated to you.

I agree to work the meet sessions or year long job I have selected above. I understand and agree that my failure to fulfill my service responsibilities will result in a \$100 per session fine which will be added to my account and which I agree to be responsible to pay. I further agree that if I choose not to select three sessions or turn in this form I will be responsible to pay \$100 per session.

The reasons we require our parents to complete service hours at our hosted meets at the TAMU Rec Center are many. If your children have ever been involved in any other sports or clubs (i.e. scouts) you know that they are required to do fundraisers, like sell candy or magazines. Organizations do this to raise money for activities, etc. for the kids. Our Club is the same way, but we ask you to contribute your time to help us run the meets we host. We make money from these meets by charging entry fees to the swimmers and through concessions and program sales. The proceeds from these meets go back to every single swimmer in our Club, which is why we ask/require everyone to help out. The proceeds are used for things such as:

- running Intrasquad Meets (we have to pay for timing systems, lifeguards and pool rent)
- awards for Intrasquad Meets, including ribbons, pins and personal best time treats
- supplies (paper, labels, etc)
- year end awards for the kids
- social events for the kids (like our Halloween party and lock-in event)
- practice equipment (i.e. kickboards, fins, etc.)
- free entry fees for our swimmers at Club hosted meets

Without the proceeds from these meets we would not be able to afford to do these things for the kids. Jobs at the meets are very easy and 95% of them require no training whatsoever. Jobs like hanging up results or heat and lane assignments in the appropriate area (called a runner), selling programs or concessions and checking credentials are examples of what our parents are asked to do. Thank you for helping our Club to be successful!!
