Re: Advertising Opportunities

The Aggie Swim Club is a year round non-profit swim program for swimmers of all ages and skill levels. We currently have over 275 swimmers in our program from age 5 to 65, novice to masters level competitors. These swimmers come from all over the Brazos Valley to swim at the A&M Recreation Center, Bryan Aquatic Center, College Station Middle School and Huntsville Aquatic Center all throughout the year.

In order to help cover our club costs, the Aggie Swim Club is hosting two very large meets during the winter, 2009-2010 season. These large regional and national level swim meets will attract approximately 850 swimmers from across the state and the nation and will display USA Swimming at its finest level. Each of these 850 swimmers will bring an additional 2 to 3 family members and spectators with them, making the total number of individuals coming to Bryan/College Station for our events close to 2000!!

In an effort to help raise funds for the Club, we are making available to local businesses the opportunity to advertise in our meet programs, which are distributed to over 1000 people at each meet. Attached to this letter is an outline of our meet dates, advertising opportunities for local businesses and advertising deadline dates. Keep in mind that many of these swimmers, families and spectators will return to Bryan/College Station for all three meets, so catching their attention now will continue to help your organization for the entire season!!

On behalf of our age group swimmers we thank you for your assistance.

Thank you again,

Take advantage of an opportunity to support your community and receive excellent exposure of your business during the upcoming months. All proceeds are tax exempt and will go directly to help our young swimmers. Monies raised will be used to purchase equipment and supplies to hold intra-team meets such as awards, ribbons, entry cards and stop watches as well as training equipment such as kick boards and flags.
